

Roger Christman To Receive Keystone Farmer Degree; Sebring Chosen For Honor

TWO MONROE COUNTY residents will be among five from this area to be honored at the annual State Farm Show in Harrisburg on Jan. 12.

Roger Christman, 18, of Kresgeville, will receive a Keystone Farmer Degree conferred by the State Future Farmers of America organization. It is the highest honor given by the State FFA.

Walter H. Sebring, assistant superintendent of Monroe County schools, both of whom will receive honorary degrees and Larry Yetter, a Bangor High School senior, who will get the Keystone Farmer Degree.

Christman is a 1954 graduate of Polk Township High School at Kresgeville. He is the son of Mr. and Mrs. Harold Christman, that place.

He was the president of the Polk FFA chapter last year and served as vice president of the Area FFA group for 1953-54. He has been active in all school affairs and was president of his class as a senior.

Christman has been represented in farm show competitions locally for several years, exhibiting in the West End Fair and the annual Wyckoff-Sears Farm Show.

He played in the State Future Farmers of America band last year and will be a member of that group at this year's farm show, according to Wilmer B. Frisbie, area vocational agriculture adviser.

The Polk Township youth has completed 11 FFA projects during the past three years. Included among them were the following: Ten acres of barley, a gilt, 300 broiler chickens, a cow and a calf.

Larry Yetter is now serving a term as president of the Bangor High School FFA chapter. In three years he has completed 13 projects, six of which were done this year.

Among the projects completed by the Bangor senior were: eight cows, three calves (for a dairy herd of 11), ten acres of field corn, 20 acres of silage, five acres of oats, a half-acre of truck garden.

Sebring, Harrier and Keat are to be honored for their enthusiastic and continued support of the aims of the FFA organization and of vocational agriculture education.

In a letter to Sebring, received this week, H. C. Fetterolf, chief of agricultural education for the State Department of Public Instruction said:

"As adviser to the Keystone Association of Future Farmers of America, it is my pleasure to notify you that you have been selected to receive the Honorary Keystone Farmer Degree at the State meeting to be held in Harrisburg on Wednesday, January 12 at 2 p. m. in the forum of the Education Building."

"A seat will be reserved for you in the lower circle. In addition to the conferring of the Honorary Keystone Farmer Degree you will have the pleasure of seeing 218 outstanding Future Farmers of Pennsylvania receive the Keystone Farmer Degree."

"This honor is being conferred upon you for your interest in this fine organization of Future Farmers of Pennsylvania. I congratulate you on being elected to this degree and trust that it will be possible for you to be present on this occasion."

John C. Litts, county superintendent of schools, received the honorary Keystone Farmer Degree at the 1953 Future Farmers meeting.

Walter H. Sebring

tendent of schools, received the honorary Keystone Farmer Degree at the 1953 Future Farmers meeting.

When light bills run about three cents a kilowatt hour, a pound of coal can produce 13 cents worth of energy.

Toys Flammable, Buyers Warned

CHICAGO, Dec. 16 (AP)—The National Safety Council and National Fire Protection Assn. warned against purchase and use of what they described as highly flammable imported Christmas toys on sale in the United States.

The agencies said the toys, which are mechanical and include a Santa with reindeer and a yuletide carousel, burst into flames easily, making them dangerous if they come in contact with a hot radiator, heater or light bulb.

They said the toys can be identified by an import sticker on the bottom and that toys are made of very thin plastic. The groups said these couldn't be confused with heavier molded plastic toys which may burn slowly but are not explosive or subject to flash ignition.

Dinner Marks Retirement Of Robbins

EDWARD J. Robbins, of 422 Chestnut St., East Stroudsburg was honored at a dinner in Hotel Casco, Scranton this week by his associates on the Lackawanna Railroad following retirement from service.

Mr. Robbins is a native of East Stroudsburg. He has resided at his present home for 41 years.

He retired from Lackawanna services Nov. 1 after 36 years of service in the bridge and building department on the Scranton division.

As a carpenter he participated in the construction of many of the railroad's bridge and building structures in this region.

A certificate of service signed by P. M. Shoemaker, Lackawanna president, was awarded Mr. Robbins as a token of appreciation from the management for his long and conscientious service.

Mr. Robbins was presented with a gift by his co-workers.

Edward J. Robbins

Judge Denies Petition To Free Falcone

JIM THORPE—A petition designed to get Daniel Falcone, 51, out of Carbon County Jail was denied Wednesday.

Judge James C. McCready ruled that the former Bangor councilman and factory worker is being legally detained in jail to await trial. Falcone is accused of the Oct. 3 double slaying of Matthew Daneker, 38, and Mildred Daneker, 36, his wife in Palmerton.

Falcone's attorneys—including Edmund Turtzo, Bangor—had asked the court for a writ of habeas corpus. They charged the prosecution had been guilty of "irregularities" in investigation of the case.

The principal charge made by Falcone's lawyers was that the accused man had been forced to sit through a hearing while handcuffed. Turtzo argued that the effect of manacles is more than physical; that handcuffs interfere with "normal thinking and ability to defend oneself."

Judge McCready expressed the opinion that it is justifiable to take all safeguards possible with a man charged with the murder of two persons.

District Machinists Rename Albertson Vice President, Stanton Business Agent

TWO MONROE COUNTY men were renamed this week to posts as officers in International Association of Machinists (IAM), District 128.

Paul S. Albertson, 1218 W. Main St., Stroudsburg, was reelected vice president; Emerson F. Stanton, 450 N. Courtland St., East Stroudsburg, was reelected business agent. Both men are members of local lodge 1724.

Other district officers reelected were: Francis E. Brislin, Hazleton, president; William H. Roeber, Scranton, secretary-treasurer; David J. Davies, Scranton, conductor; William A. Morgan of Hawley and Benjamin B. Montgomery of Carbondale, trustees.

Only upset was by Lionell Doyle, who defeated incumbent Fred Berry of Scranton for the third trustee's post.

Elections were held at the local lodges met throughout the district during November. Tellers met at district headquarters to count the votes, and released the result this week.

All officers were elected to one-year terms which end the second Saturday in January except for Stanton, who was named to a two-year term.

Stanton has been business agent since July 1, 1952.

District 128 includes the five northeast counties of Pennsylvania. Officers will be installed Jan. 8 at a delegates' meeting at Scranton.

Army Releases Funds For New Reserve Centers

WASHINGTON, Dec. 16 (AP)—The Army today released money for the construction of 14 reserve training centers in 10 states.

The new centers announced today bring to 139 the total designated since Congress allocated money for the purpose in 1950.

Included among the new centers will be 12 200-man and two 400-man school type buildings. Their total estimated cost is \$1,806,000.

The Army said the Army Engineers will select and acquire sites for each project and that construction should start within three to

Emerson F. Stanton

six months after sites are selected. The list of new reserve centers with the training capacity of each includes four in Pennsylvania at Greensburg, Lancaster, Uniontown and Washington, 200 each.

Snow is a good insulator and can prevent the escape of heat, for example in an Eskimo igloo which can be heated with a very small fire.

Stock Exchange To Mark Holiday

NEW YORK, Dec. 16 (AP)—The stock exchange will be closed on Friday, Dec. 24—the day before Christmas. However, the exchange will be open for business as usual on Friday, Dec. 31, the day before New Year's Day.

The American Stock Exchange announced that it also will close Dec. 24 but remain open Dec. 31.

Here's an end to noisy trains and scattered tracks. Junior will want to keep his equipment in one place, on this kind of platform. Homasote is sound-deadening—moisture-proof—fire-resistant. Saves and nails like wood. (If you change the train layout, just fill the old holes with plastic wood.) A 4' x 4' stand for the Christmas tree gives stability, a place for gifts—and many years of service. These platforms are cut to your order—in all sizes up to 8' x 14'. The surface takes any paint or stain finish, but does not require one. Edges may be beveled with sandpaper. . . . Here indeed are gifts that are different—yet inexpensive. Come in soon—or we will be happy to take care of your orders by telephone.

Sharp Gains Push Stocks To New Highs

NEW YORK, Dec. 16 (AP)—The stock market surged ahead to new peaks today with leaders displaying exceedingly sharp gains.

The market's action marked a resumption of the bull market boom which was interrupted for about a week with a hesitant retreat.

The Associated Press average of 60 stocks was up \$1.80 at \$151.20, highest since Sept. 19, 1929, when the average stood at \$152.50, a short distance away from the all-time high of \$157.70 on Sept. 8 of that year.

Steels, rails, oils, and aircrafts were stars of the advance today, and they were joined by motors, rubbers, distillers, airlines, chemicals, coppers and utilities as well as a long list of stocks individually strong.

The market wasn't especially broad with 1,215 individual issues traded, but there were 760 gainers and only 258 losers. New highs were touched by 116 issues while 2 hit new lows for the year.

Volume expanded to 3,390,000 shares as compared with 2,740,000 shares traded in yesterday's moderately advancing market.

There were many individual features. Bethlehem Steel, up 4 1/2 yesterday, gained 3 1/2 today at 164. Wall Street brokers reported rumors of a split, an increased dividend, a merger, and new government business. A company spokesman in reply to questions about the rumors said: "No comment."

Louisville & Nashville was up 2 1/2 at 86 and Nashville, Chattanooga & St. Louis was up 8 at 119 1/2 when directors approved a merger.

Atlantic Coast Line was up 7 1/2 at 158 on a proposal for a three-for-one split. A week ago the stock sold at 120.

TXL Oil was the day's most active stock as it was yesterday up 1/2 at 39 1/2. In second place came Texas Pacific Land Trust off 1/2 at 15.

They were followed by Jones & Laughlin Steel up 1 at 32 1/2, Pennsylvania Railroad up 1/2 at 21 1/2, and U. S. Steel up 1 at 79 1/2.

The American Stock Exchange was higher all around with trading at 1,130,000 shares as compared with 970,000 shares traded yesterday.

The bond market was higher. U. S. government issues in the over the counter market were easy.

Tolls Pay For Six Of Ten Bridges

HARRISBURG, Dec. 16 (AP)—Tolls collected by the Commonwealth in the last five years have more than paid for all but four of the 10 bridges taken over by the Highways Department in 1949.

The department is bound by law, however, from freeing any of the bridges until the total 7 1/2 million dollars for all toll spans is paid off.

Lagging behind are the Market Street and Walnut Street Bridges at Harrisburg, the Allentown Eighth Street Bridge and the Ellwood City-Koppel span.

Department officials noted, however, that the two Harrisburg bridges, crossing the wide Susquehanna River, were most expensive of all 10, costing together more than the eight others combined.

In addition, the two bridges have had stiff competition for the Harrisburg area motor traffic from the M. Harvey Taylor Bridge, opened free of charge in 1952.

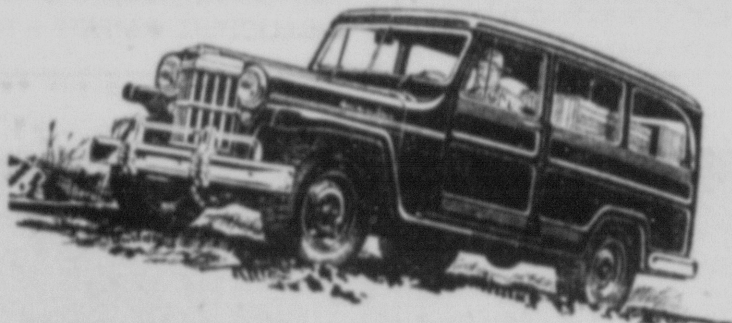

Tolls on the 10 bridges grossed \$6,702,014 from the time the state acquired them until last Nov. 30. Allowing for maintenance and other expenses, the net is \$5,621,664.

When the bridge purchase program was undertaken, the 10 were the last toll bridges remaining within the limits of the Commonwealth. Since then one more toll span has been opened over the Allegheny River connecting New Kensington and Tarentum.

Highways Secretary E. L. Schmidt has estimated that all 10 will be paid off by Dec. 21, 1956.

GRAND EXALTED RULER VISITS ELKS LODGE—Pictured above at special meeting Wednesday night were: First row, left to right, William J. Jernick, grand exalted ruler; George H. Costenbader, exalted ruler host lodge; Howard R. Davis, past grand exalted ruler. In rear same order, Ruel H. Smith, president state Assn., and Barney W. Wentz, district deputy.

Grand Exalted Ruler Calls For Expanded Elks Program

WILLIAM J. JERNICK, of Nutley, N. J., grand exalted ruler of the BPO Elks, paid his official visit to the East Stroudsburg lodge Wednesday night. He gave the principal address at the meeting.

Other prominent visitors included Howard R. Davis, of Williamsport, past grand exalted ruler; Ruel H. Smith, of Warren, Pa., president of the Pennsylvania State Elks Assn.; Barney W. Wentz, Ashland, past state president and present district deputy Northeast Pennsylvania District filling the vacancy caused by the death of Walter Stanton, of Mt. Carmel, and George Remagen, Bangor, president Northeast Pennsylvania District, and James Toland, Ashland, past president of the last named group.

A steak dinner preceded the regular lodge meeting set ahead a night to meet the grand exalted ruler's schedule. F. S. LaBar was master of ceremonies. The invocation was given by Rev. Adan A. Bohner.

George H. Costenbader, exalted ruler of the host lodge, opened and closed the meeting; Mr. LaBar presided during the program, which was devoted entirely to Jernick's address and brief remarks by others.

The memory of Walter Stanton, district deputy, was honored by a moment of silence and respect.

Lodges represented at the meeting were Ashland, Allentown, Bangor, Scranton and Freeland.

Past Grand Exalted Ruler Davis presented the grand exalted ruler emphasizing the value of leadership.

Grand Exalted Ruler Jernick in his address dwelt on ideals of Elksdom, love of God, country and their fellowmen. He commented on the freedoms we enjoy and emphasized the youth activities, Elks Foundation advancing education of needy students, the national Elks home.

Jernick spoke of the 16 Gold Star certificates of merit he would issue to lodges that meet all of the details laid down in the program and expressed the belief East Stroudsburg lodge would be one of them. He called for an expanded program, especially for the youths, support of true democracy and upholding of his theme for the year, "As Elksdom Sows, America Reaps."

The grand exalted ruler, state president and district deputy were presented with lighters furnished by the Ronson Corp., East Stroudsburg. Jernick was also presented with an alligator skin bag made by a local firm for his wife. M. Russell Imbitt Sr. was chairman of the committee of arrangements.

Fred H. Rhodes, loyal knight and chairman of the social and community welfare and youth committee, announced the annual Christmas party for the young people will be held Tuesday, Dec. 21, at 7:30 p. m. He said Santa Claus will be on hand and that all kiddies were welcome. They will receive goodies. Colored movies based on Christmas will be shown.

Church Drive For Organ Continuing

PORTLAND — Mrs. Walter Emery, treasurer of the drive to purchase a new organ for the Presbyterian Church, said last night the fund has not yet been completed.

Due to a misunderstanding in recent reports made, Mrs. Emery said, the public has been led to believe that the fund drive is completed.

Although about \$2,500 has been collected so far, she said, the church has not yet decided what organ it intends to purchase. Until this decision is reached, she said, the committee will not know how much money is needed.

Some organs, she said, cost more than others and if the church selects an instrument costing more than the present amount in the fund more collections will be necessary.

Mrs. Emery issued the statement following an item in this newspaper which gave the impression, she said, that no more money was being requested. Until further notice, she said, the fund goes on.

Pocono Township School Announces Christmas Program

TANNERSVILLE—The music department of Pocono Township School will present a Christmas program Tuesday, Dec. 21, in the auditorium.

Two performances will be given. The first is scheduled for 1 p. m. and is designed for students. The second will be given at 7:30 p. m. Tuesday for parents and other adult residents of the area.

The entire program will be under the supervision of Mrs. Mary Rees, music instructor at the school. Mrs. Rees announced the following program:

A welcome from Mrs. Joseph Parsons, Parent-Teachers Association president, will open the program. Rev. William Foote will give the reading from the Scripture and the main address.

The girls glee club will sing "The Twelve Days of Christmas," followed by the first of four scenes describing the first Christmas in music. Taking part

in Scene One will be the first and second grades.

First graders will sing "Away In a Manger," "Up On a House-top," "Sleigh Bells" and "Jingle Bells." Second graders will be heard singing "Christmas Is Jesus' Birthday," "Santa Claus Is Coming To Town," "Rudolph, the Red-Nosed Reindeer" and "Frosty, the Snowman."

Scene Two will be devoted to "carols of many countries." Mrs. Rees announced. Among them: "The Friendly Beasts" (English) by Glend Bising, and "Christmas Night" (German) by Rosemarie Levenroth, both third graders; "O Jesu Sweet" (English) by Wayne Mazur and "Here Lies a Baby" (Dutch) by Linda Babcock, fourth graders.

Also "Old Danish Carol" by Mary Lou Montgomery; "The Roads Are Very Dusty" (Welsh) by Mark Matig, and "Christmas Angels" (Czechoslovakia) by Ray

Roeder; "The Lowly Birth" (Flemish) by Barry Weirich; "Far Away" (Latin American) by Roberta Bush, fifth and sixth graders; "Sing We Noel" (Yugoslavian) Beverly Hay, and "An Ancient Legend" (French) by Phil Vishnesky, seventh graders; "Christmas Everywhere" (Russian) by Alice Kresge with members of both sixth and seventh grades.

Scene Three will be made up of a dramatization of "Twelve the Night Before Christmas," performed by the chorus. In the cast will be Ed Salzer, Donna Sandt, Joan and Alice Salzer and Tom Williams.

The fourth and final scene will consist of two choral numbers, one of which also has a tableau. "The Christmas Crib" is the first selection in the last scene.

In "St. Francis' Prayer," the chorus will provide a music background for a tableau depicting

the Nativity. In the cast will be Bob Richards, William Coberly, Thelma Kane, Bob Bryson, Larry Starnier, Tom Koslar, Paul Frailey, Ronald Martinelli, Fred Nidlund, Susan Scharf, Marilyn Smith and Eva Argue.

Accompanists for the program will be Beverly Peechatka and Doris Doll. Larry Scharf and Ronnie Hay are serving as stage managers. Albert Getz and Ellanore Sebring are the assistant producers.

AN IRANIAN legend says the world is perched between the horns of a cow and when the cow shakes her head there is an earthquake.

Wable Refused Another Trial

GREENSBURG, Dec. 16 (AP)—A Westmoreland County Judge today turned down a new trial appeal of John Wesley Wable, 25, convicted Pennsylvania Turnpike slayer.

Judge Edward G. Bauer ruled there was insufficient ground for a new trial.

A jury convicted Wable, from Ohio, Pa., of first-degree murder last March in the fatal shooting of Harry Pitts, a truck driver of Bowling Green, Va. The jury fixed the penalty at death.

Wable also is under indictment for the slaying of Lester B. Woodward of Duncannon, Pa., another driver.

Dr. Kitchen President Of Medical Men

"PREVENTIVE Medicine" was announced as the theme for the coming year at the regular meeting of the Monroe County Medical Society held last night at the General Hospital.

Dr. James G. Kitchen II, of Pocono Lake, was selected president of the society and Dr. Frederick R. Jones, of East Stroudsburg, was named president-elect. Dr. Harold B. Flagler, of Stroudsburg, will serve as secretary-treasurer for 1955. Dr. Kitchen outlined the program to be followed during the next year.

The Medical Society and Auxiliary attended a Christmas party at the Gap View Inn following the meeting.

Mindszenty's Release By Reds Rumored

VIENNA, Austria, Dec. 16 (AP)—The Catholic press agency Kathpress today distributed a rumor that the Hungarian regime had released Josef Cardinal Mindszenty. There was no confirmation from any source.

The ailing 62-year old cardinal was sentenced by the Reds in 1949 to life imprisonment on treason and sabotage charges. The Rev. Jacob Fried, chief of Catholic publications here, said the Kathpress report came from a French businessman journeying from Budapest. Father Fried said the Frenchman was reliable but picked up the reports "from rumors only and not from any official source."

The Kathpress dispatch, dated Budapest, said it was reported yesterday in "usually well informed circles in the Hungarian capital" that the cardinal had been released a week ago and gone to his diocese. But it added diplomatic quarters in Budapest knew nothing about the release and that the cardinal's palace at his diocese in Esztergom said he was not there.

In Budapest, spokesmen for the Hungarian Foreign Ministry declined to comment. There have been rumors in the Hungarian capital for some time the Communist regime was negotiating with the Roman Catholic Church.

Vatican sources said rumors of the cardinal's release had been heard "for the past two months," without confirmation. The U. S. State Department also said it had no information the prelate had been freed.

The cardinal and six codefendants were convicted Feb. 8, 1949, after a trial that shocked the free world and brought denunciations from many Western leaders. The prelate, stripped of the church robes of his rank and wearing only the cassock of a priest, appeared under great strain.

AMERICANS of college age attending college were about 4 per cent of the total in 1900, but have increased to about 24 per cent.

HEIRESS BARBARA HUTTON is shown being escorted by her son, Lance, 19, at the Los Angeles airport after arriving from Mexico City. The much-married Barbara declared she "was not feeling very well," and intended spending the holidays with Lance, who is a student at the University of California at Los Angeles.

Three Democrats To Seek Speakership Of State House

HARRISBURG, Dec. 16 (AP)—A three-way fight shaped up among Democrats today for speaker of the House in the 1955 Legislature.

Rep. Albert S. Readinger (D-Berks) is refusing to step aside despite endorsement of Rep. H. G. Andrews (D-Cambria) by both Sen. Joseph M. Barr (D-Allegheny), Democratic state chairman, and Mayor David L. Lawrence of Pittsburgh.

Rep. James E. Lovett (D-Westmoreland), submitted as a "straw" candidate for speaker in the years when Democrats were in a minority, said he should again be the candidate now that his party will control the House.

"I am still a candidate," Lovett said.

Readinger said at Reading that Barr and Lawrence tried to dissuade him from running yesterday but didn't succeed. On the floor leadership, the post held by Andrews since 1945, Readinger commented:

"I do not want to be floor leader. This is a terrific job. I don't know how I could follow my law practice and accept the floor leadership."

Readinger disclosed he will canvass Democratic legislators in advance of a party caucus here next Tuesday.

"I never expected to oppose Mr. Andrews for the speakership, but due to the efforts of Mr. Lawrence and Mr. Barr I find myself in this position," he explained. "No good reason was given for the switch, but they want it that way."

Meanwhile, Sen. Joseph J. Yosko (D-Northampton) today proposed a joint Senate-House committee to conduct a continuing investigation of state governmental operations.

The committee, equipped with full subpoena powers, would be authorized to call in former officials of 16 years of previous Republican administration.

If the GOP-dominated Senate refuses to go along then the lower

Tamiment's Composition Contest Open

THE SECOND annual string quartet composition sponsored by Tamiment Institute is now open.

The institute owns and operates Camp Tamiment near Bushkill. The award for the winning string quartet is placed at \$500.

The winner of last year's contest was John A. Riley, New Haven, Conn. Judges were Dimitri Mitropoulos, now conductor of the New York Philharmonic; Samuel Barber, one of America's most famed 20th century composers and the members of the Curtis String Quartet.

A total of 88 compositions were entered in the 1953 competition, according to Tamiment officials. The winning entry was performed at the Summer Music Festival at Tamiment last year.

Deadline for entering the competition is April 1. Judges for this year's contest have not been announced.

The \$500 award in the chamber music field carries Tamiment's prize program for outstanding cultural contributions to a second field. The institute has, each year, awarded a \$500 prize to the author of the outstanding biographical book of the year.

Some years—as is the case for 1954—two such awards are made. This year's book winners are Selden Waksman, microbiologist and Elmer Davis, radio commentator for their autobiographical volumes "My Life Among the Microbes" and "Best We've Born Free" respectively.

McMichaels

Tacy Kishpaugh

THE CHRISTMAS Program of the McMichaels, Jr. E. Church will be held on Tuesday night December 21st at 7:45 P. M.

Economic Value Of Depot To Region Described By Deputy Administrative Aide

GLEN E. GRUBB, administrative assistant to the deputy commanding officer, Tobyhanna Signal Depot, addressed the Pocono Mountains Rotary Club at its weekly meeting at the Onawa Lodge, Mountaintown. He described the physical plant of the depot operations, its missions and functions, and its effect on the community.

There are 2,100 employees working at the Tobyhanna Signal Depot at present, according to Mr. Grubb. Of these, around 650, or 30 per cent, live in Monroe County.

Mr. Grubb said that around one hundred million dollars worth of Signal Corps material will be handled annually at this institution. That is, this amount will be received at the depot operations, processed in its shops, stored in its large warehouses, or shipped out to various Army establishments in the Continental United States or overseas.

In addition to an annual payroll of over ten million dollars at the Tobyhanna Signal Corps Depot, Mr. Grubb also said that over one million dollars worth of supplies will be purchased from local business concerns each year.

The Tobyhanna Signal Corps Depot is the largest plant of its kind in the United States Army. It has all modern equipment in its various departments and, as Mr. Grubb reported, it has developed into a low-cost and efficiently operated institution.

Mr. Grubb has been an employee with the Army Signal Corps for 14 years. He is, at the present, top civilian employee at the depot operations. Mr. Grubb worked at the Baltimore Signal Depot before coming to Tobyhanna, and he resides in Scranton.

The visiting Rotarians for this meeting were Louis J. DePaul, Mount Pocono, and Charles N. Thompson, Stroudsburg.

day dinner guests of Mr. and Mrs. John Everett and son, Harley.

News of the World in Pictures

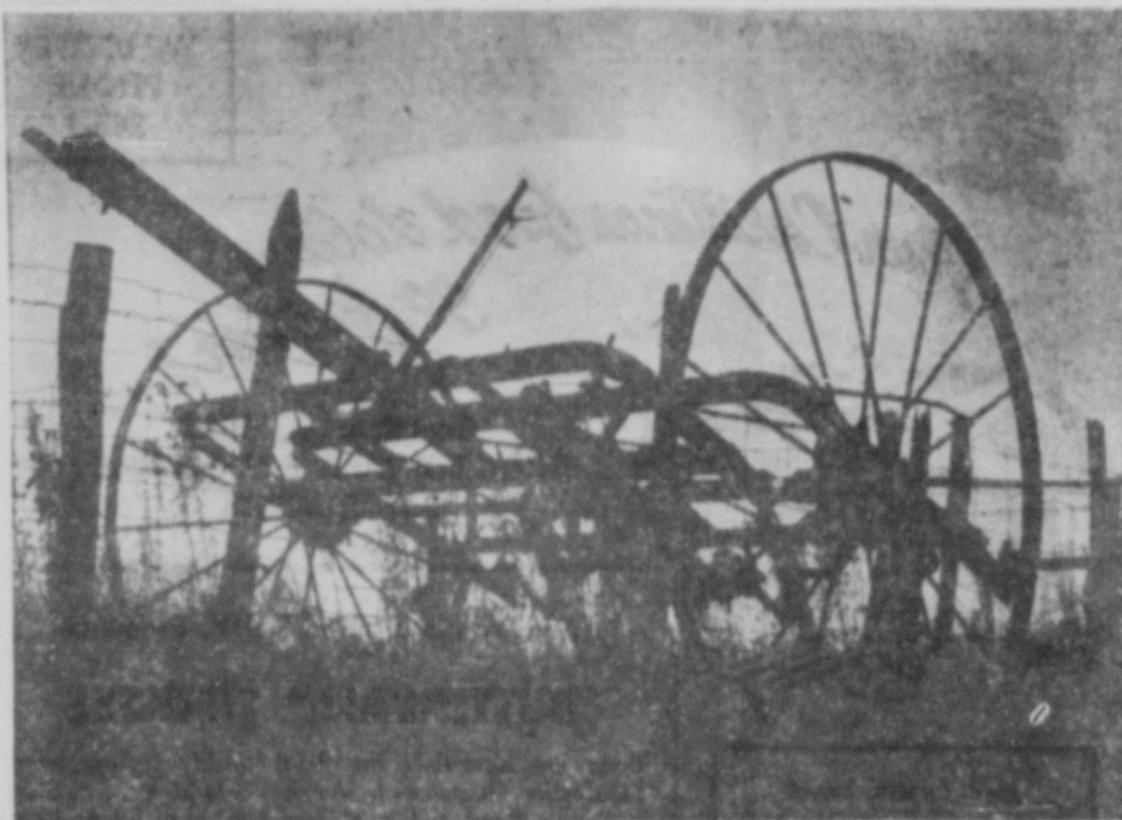

ONE-YEAR-OLD Pudgie, a pigmy hippopotamus from Liberia, gets a curious appraisal from Betty D'Amore at New York's International airport. The rare animal is seeking a home. When full-grown, Pudgie will weigh 1/10 as much as a normal hippo.

IT TOOK a Swiss cheesemaker, Erwin Fiene, to win the top prize as grand champion cheesemaker of Ohio at a convention in Sugarcreek. Fiene, who came to Ohio from his native Switzerland years ago, has won other prizes.

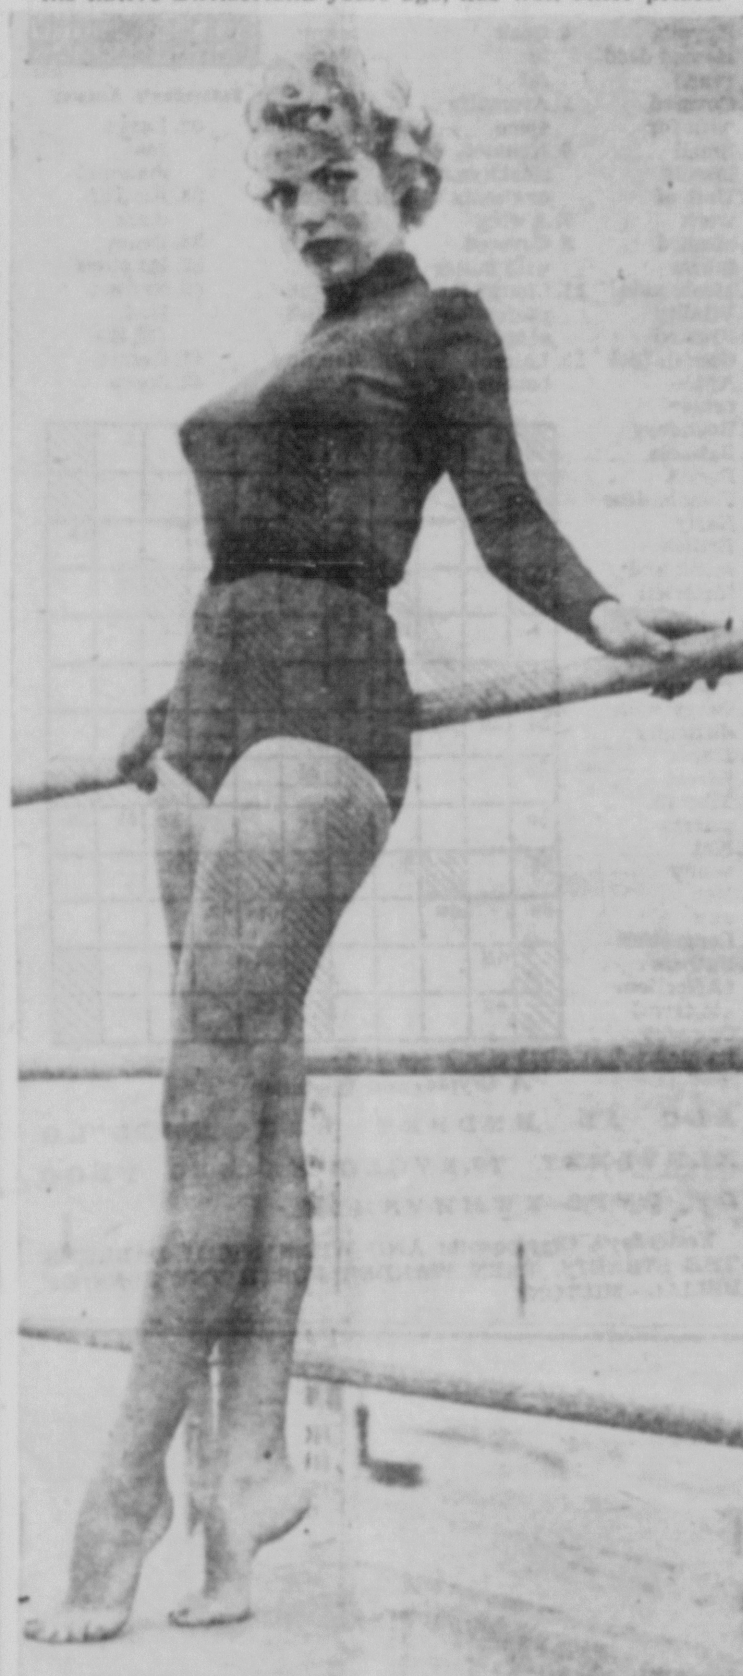

BRITAIN'S ROYAL NAVY will soon add to its family this baby submarine, known as the X-51. The sub is undergoing trials in choppy waters of Scotland's Gareloch, on the west coast not far from Loch Lomond. It is 54 feet long and carries crew of five.

IN THE STILL of early winter sun, this hay rack makes pleasing picture in Medina, O.

TWO DESIGNING FELLOWS. Ronald Smet (left) and John Politzer, sculpture students at Notre Dame, examine tile chessboards and chessmen which they submitted in competition. Chess sets are part of the entries in student sculptors' show at the university.

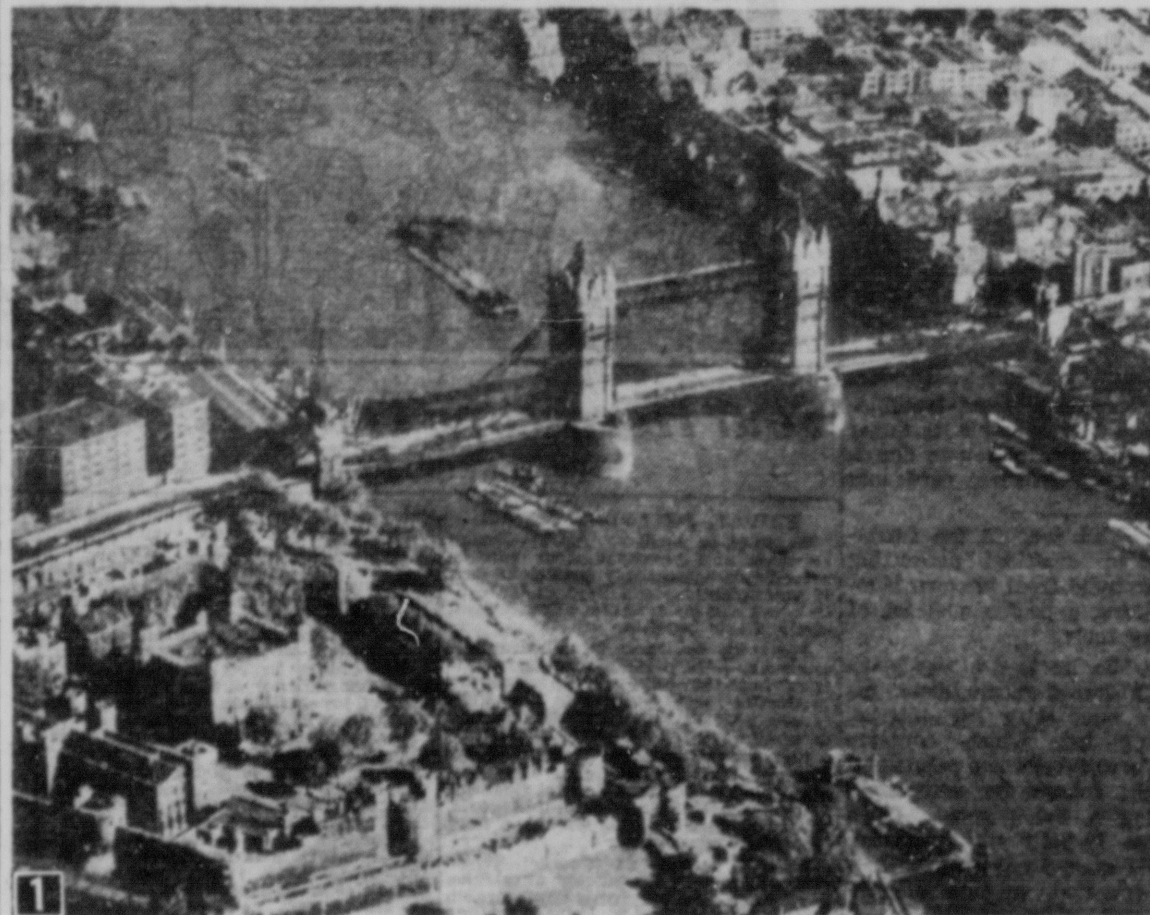

JUST GUESS what Carol Blake's problem is. Give up? Well, this young lady complains that "Everyone calls me Marilyn." Is there any need to add that she means Marilyn Monroe of the films? Poor Carol's sunning at Miami.

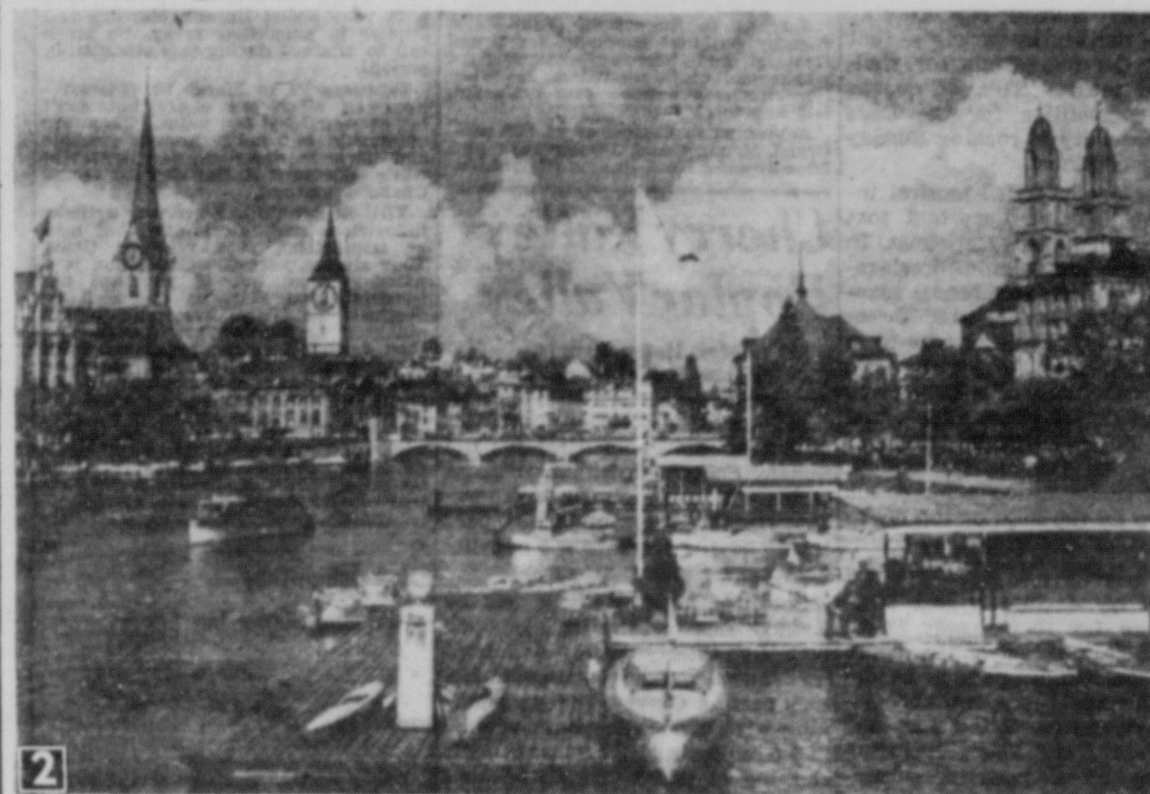

FASTEST PILOT in the world, Maj. Charles Yeager, and his wife, go aloft in the slowest of all flying vehicles, a Bell 47G helicopter, in Buffalo. Major Yeager was the first to pierce the sound barrier and set the world's speed mark of 1,650 miles an hour in rocket-powered X-1A.

QUICKIE CAPITAL QUIZ

LET'S PRETEND you're on a quiz program. There aren't any prizes, but see if you can identify these capital cities. To start, (1) was once a Roman town, grew to become the greatest commercial, industrial and manufacturing center of the kingdom. A popular resort, (2) was place where treaty ending Franco-Italian war was signed in 1859. Jumping to the Mediterranean, we visit (3), provisional capital of one of the world's newest states. Final stop is (4), one of main educational centers of Islam and a British and United States base in 1942. See lines under pictures for the answers.

1 This is London. Down the Thames, one sees the Tower bridge and Tower of London.

2 This is Zurich. It is the largest city in Switzerland. To the right are Cathedral towers.

3 This is Tel Aviv. The waterfront here is lined with many modern apartment buildings.

4 This is Cairo. One finds the French held this famous city in Africa.

By CHESTER GOULD

Tree Lighting Ceremony Set For Monday

THE BARRETT Community Christmas tree lighting ceremony will take place next Monday at 7:15 p. m. at the Mountainhome Methodist Church. It was announced yesterday by Paul Miller, president of the Barrett Lions Club.

The program will be under the direction of Rev. Harold N. MacMurray, who has expressed the hope that many residents of Barrett will attend and, by joining in the singing of Christmas carols, reaffirm their faith in the Birth that gave us the true spirit of Christmas.

On the same day, at 8:15 p. m., the Barrett Community Christmas party will be held in the auditorium of the Inn at Buck Hill Falls. This annual Christmas program is sponsored by the five service clubs of the community.

Seoul To Get Street Lights

SEOUL, Friday, Dec. 17 (AP)—As of tomorrow, this war-battered city will have 600 street lights.

That's not many—but it's 600 more than the city of more than one million population has had for 4½ years.

Metropolitan police are installing the lights as part of their crime prevention campaign.

Severe power shortages first hit the city in 1947 when the Communists cut off the supply from North Korean plants. Then came the war, and what a few auxiliary plants Seoul had were wrecked.
